4 February 2016

Dear Parents/Guardians

**Parent Information and Meet-the-Teacher Evenings**

Your daughter should have now settled into her studies at Marian College for 2016. This is an exciting time for all students, from those completing their VCE or VCAL in Year 12, to those who have just embarked upon their secondary education in Year 7.

At this time, there are many questions that parents may have. There is also information that key staff at Marian College wish to share with you to assist in the successful navigation through these important years. With this in mind, we invite you to attend our forthcoming Parent Information and Meet-the-Teacher Evenings. These will provide an opportunity for you to hear from Year Level Leaders and other speakers, and to meet your daughter’s Homeroom or Mentor Teachers. Interpreters will be on hand at these evenings.

The Year 11 and 12 Evening will commence with a presentation about the expectations and rules related to VCE and VCAL. It is essential that all parents and students understand this important information.

The Year 10 Evening will also commence with a presentation for students as they commence in their senior years at Marian College. Important VCE information will also be presented for the students undertaking an accelerated VCE or VCE VET Study.

The Year 7, 8 and 9 Parent Evening will provide you with an opportunity to learn more about the year ahead for your daughter so that we can work together to support her over the year. There will be an opportunity for parents to ask questions and receive feedback in a small group or individually.

**Years 10, 11, 12**
