Statement of Commitment to Child Safety

Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence. Marian College is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Protection Program designed to keep children safe.

As a Kildare Ministries school in the Brigidine Tradition, holding the dignity and integrity of each human person sacred, we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

Child Safe Principles

The College's commitment to child safety is based on the following overarching principles that guide the development and regular review of our work systems, practices, policies and procedures to protect children from abuse.

2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.

5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our College community.
7. Procedures are in place to screen all staff, Direct Contact Volunteers, ** Third Party Contractors and External Education Providers who have direct contact with children.
8. Child safety and protection is everyone's responsibility.

Child Protection Program

Marian College is committed to the effective implementation of our Child Protection Program and ensuring that it is appropriately reviewed and updated. We adopt a risk management approach by identifying key risk indicators and assessing child safety risks based on a range of factors including the nature of our College's activities, physical and online environments and the characteristics of the student body.

- clear procedures for responding to and reporting allegations of child abuse;
- strategies to support, encourage and enable staff, Volunteers (direct and indirect), Third Party Contractors, External Education Providers, parents and students to understand, identify, discuss and report child protection matters;
- procedures for recruiting and screening Board Directors, staff and Direct Contact Volunteers;
- pastoral care strategies designed to empower students and keep them safe;
- policies with respect to cultural diversity and students with disabilities;
- a child protection training program;
- information regarding the steps to take after a disclosure of abuse to protect, support and assist children;
- guidelines with respect to record keeping and confidentiality;
- policies to ensure compliance with all relevant laws, regulations and standards (including the Victorian Child Safe Standards);and

As a part of Marian College induction process, all staff and Direct Contact Volunteers are required to complete a selection of training modules on the content of our Child Protection Program.
