PLEASE NOTE (REVISED 28 JUNE 2021):

The College is bi-annually reviewing this service based on student demand.

The College has decided to maintain the current service to the Point Cook/Altona Meadows area for a minimum of the next two years [2022 & 2023]. The College reserves the right to review this decision in July 2023 for the 2024 school year and will communicate that decision by the end of August 2023 to all stakeholders.

Any subsequent review may result in fully removing all stops south of the West Gate Freeway or providing a single collection point along near Palmers Road with no pick up points in Altona Meadows-Seabrook.
