

Child Safety Code of Conduct

The Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults in the College environment towards students. It serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the College environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations.

It is the College's policy that any breach of the Child Safety Code of Conduct is a child safety incident that must be reported internally.

Any breach that meets the threshold for external reporting must also be reported to the relevant external authority.

For more information, refer to our procedures for [Procedures for Responding to and Reporting Child Safety Incidents or Concerns](#).

The College reviews the Child Safety Code of Conduct annually. The Kildare Education Ministries Board has approved the Child Safety Code of Conduct.

The Child Safety Code of Conduct is published on our public website.

Our Child Safeguarding Program also includes a [Staff and Student Professional Boundaries](#) policy that provides detailed guidance for all Staff, Volunteers, Contractors and External Education Providers on how to maintain professional boundaries between students and adults at The College.
